2017 Summer Schedule

Monthly tuition is based on 4 half hour lessons or 2 hours of instruction to be scheduled by each instructor for continuous students. Teachers are at liberty to take one week off of their choice during this 2 month summer semester by teaching one of the last two weeks in May after the spring semester has concluded applying to summer semester tuition. Continuous students have the benefit of reserving their lesson times for fall 2017 and retaining their current tuition rate with no additional registration fees. Selection of summer camps with their instructor is another option for remaining a continuous student with these same benefits.
