Our goal for Dolce Summer Camps is to allow new students to experience music lessons at a glimpse before investing in a long term commitment. It gives students an opportunity to meet our amazing faculty and develop rhythmic stability while performing in an age appropriate peer group geared for fun and music education. As a benefit to all new summer camp students, fall semester scheduling will be available following each camp waiving any additional registration fee and giving new students choice times for weekly lessons beginning August 1st, 2017.

To reserve your preferred Summer Camp, please submit this completed registration form and nonrefundable **deposit of \$80**, payable to Dolce Music Studio. The balance of selected camp is due no later than the first day of camp date selected. Current Dolce music students are required to sign up for summer camps or continue weekly lessons with your instructor to remain a continuous student which **reserves your weekly lesson time for the fall semester at your current tuition rate**. A thirty day written notice is required for cancellation of a current Dolce student. **A \$30.00 registration fee is required for new students registering for Summer Camps payable to Dolce Music Studio and included in the \$80 deposit.**
