PARENT AND STUDENT AGREEMENT

We are passionate about the success of our students, so it is required that you make a commitment to the entire semester and all of its activities. We believe that involvement in our Choirs will help instill artistic standards and provide your child a community through the bond of choral music. We encourage families to be actively involved in supporting our hopes to bring these goals to fruition.

I agree to have my child attend all choir rehearsals with the exception of illness or family travel. I understand my child's participation greatly affects the choir as a whole and realize that absences hinder the goal for excellence. Prior to concerts, I further understand that not only is regular attendance necessary, but additional rehearsals may be scheduled to prepare for the performance. Each student is encouraged to attend at least one of the two summer camps we offer during the off-season in order to maintain vocal stamina and community with the whole group.

I consent for photographs or video in which my child appears to be used by Dolce Music Studio, its assigns or successors, for publicity purposes. I understand such items will be the property of Dolce Music Studio.

I agree to read the entire Handbook of Guidelines for the Choir and sign this agreement in regard to its terms prior to my child's participation in the Choral program.
