Our goal for **Dolce Summer Camps** is to allow new students to experience music lessons at a glimpse before investing in a long term commitment. It gives students an opportunity to meet our amazing faculty, develop rhythmic stability, and enjoy a tour of different instrument formats. As a benefit to all new summer camp students, the fall semester scheduling will be available following each camp tour. As we celebrate our 10 year anniversary, the Dolce welcome package for new students completing a virtual summer camp tour is a free month of lessons when signing up for the academic school year beginning on August 3<sup>rd</sup>.

**New students** reserve your preferred Summer Camp by submitting this completed registration form and selected camp total plus \$35 registration fee to [paypal.me/DolceMusicStudioLLC](https://paypal.me/DolceMusicStudioLLC).

**Enrolled Dolce students** have the option to sign up for a virtual summer camp week in lieu of June /July tuition or continue weekly lessons with their current instructor to retain continuous status. Their recurring monthly auto pay for June or July will be applied to the summer camp total. The balance is payable by [paypal.me/DolceMusicStudioLLC](https://paypal.me/DolceMusicStudioLLC) to reserve the desired summer camp week. **Either option reserves your weekly lesson time for the fall semester with your current teacher and tuition rate beginning August 3rd!**
